### Inflatable Trainers

Cat.  
RRP Price  
\$299 ~~\$269~~

The O'Brien® Inflatable Ski Combo Trainer for Youth is great for teaching youngsters how to ski. Soft inflatable design makes this combo trainer less intimidating than traditional trainer's since it is soft. Wide single bottom design planes out virtually immediately to help riders get up and stay up easily. Comes complete with stable training rope and a tow rope to make it easier to hold on to handle. Deflates to stow away easily at the end of the day. For riders up to 38kg. 1 Year Warranty

## Jnr Blast 59" Combos

Built with shaped side cut design adding surface area that creates steadiness, the Blasts are an awesome pair of combo skis for kids looking for fun behind the boat. The deep "V" bottom creates stability on deep-water starts and adds tracking in rough water. Comes with a removable stabiliser bar that adds control while getting out of the water. With their wider shape for easy starts making them ideal for teaching the kids.

Cat.  
RRP Price  
\$329 ~~\$299~~  
2 Year Warranty

## Traditional 67" Combos

The Traditional has an aggressive shape designed for an easy transition to slalom specific skis. A narrow fore body and deep tunnel help to create strong edge hold and sharp, aggressive turns.

Cat.  
RRP Price  
\$289 ~~\$259~~  
1 Year Warranty

## Odyssey 67" Combos

The Odysseys have a wide tail and shallow narrow tunnels that provide control, stability and smooth turning. The Odysseys also accommodate many different skiers and skill levels. Comes with removable stabiliser bar for ease of teaching.

Cat.  
RRP Price  
\$335 ~~\$299~~  
2 Year Warranty

### Blast 63" Combos

Built with shaped side cut design, adding surface area that creates steadiness, the Blasts are an awesome pair of combo skis for larger kids and small women. The deep "V" bottom creates stability on deep-water starts and adds tracking in rough water. Threaded inserts in the front of the skis make them compatible with the optional stabiliser bar that adds control while getting out of the water. Great for skiers 40kg to 68kg.

Cat.  
RRP Price  
\$329 ~~\$299~~  
2 Year Warranty

### Blast 67" Combos

Built with shaped side cut design, adding surface area that creates steadiness, the Blasts are an awesome pair of combo skis for adults getting out on one ski or two. The deep "V" bottom creates stability on deep-water starts and adds tracking in rough water. Threaded inserts in the front of the skis make them compatible with the optional stabiliser bar that adds control while getting out of the water. Suitable for 50kg and over (great for the heavier skiers).

Cat.  
RRP Price  
\$329 ~~\$299~~  
2 Year Warranty

# Combo Skis

## Cayman 67" Combos

Deep water starts are a breeze with this wide design based. The Cayman includes a removable stabiliser bar that holds the two skis uniformly together for a perfect deep water start every time. The wide tip and tail allow for quick planning and lets beginners work gradually up to a more aggressive turn.

The Cayman features shaped combo skis that each contain an abundance of surface area that makes learning to ski effortless, easy, and fun!

## Pinnacle 61" & 67" Combos

Series of skis, these high performance combos allow you to adjust the HO Basis bindings up to one inch fore and aft on the skis. Push the bindings all the way forward to lay down some fat two-ski carves, and push them back when it's time for your slalom ride. Now you can have the best of both worlds with this pair of skis. Available in 2 sizes.

The world's first convertible combo skis. Developed from the Comp Freeride

Hands down the best 34mph ski on the market today is the Carbon V. Following on the incredible success of the V, the Carbon V is a 70% carbon version to add memory, response, stiffness and reduce weight. Six V-steps are molded into the hull for more efficient water flow. Change is not coming - Change is Here!
