## Strada BOA Full Finger Gloves

Radar's Industry exclusive glove returns after rave reviews from skiers everywhere. The most advanced fitting glove on the water has been made possible in partnership with Boa Technology. Nylon coated stainless steel cable crosses down the back of the hand tightening the palm evenly from fingers to wrist. The Strada Boa has quick entry/exit, dialed in fit, consistent closure and no pressure points. The Aramid palm offers ultimate grip and no break in time. Ski in the Strada Boa and truly change the way you think of a glove's fit.

Sizes: S, M, L, XL, XXL

Cat. Price  
**\$119.95**
