YES, IT'S AT THE TOP. NO, IT'S NEVER LONELY.

The weekend will never know what hit it. The 2011 X-25 offers a redesigned interior with an innovative seating configuration that lets passengers interact as effortlessly and as nimbly as the deep-V Hull interacts with the water. Plus, the X-25 features all the amenities you'll need for carving fresh memories - including a choice of Zero Flex Towers, stylish new graphics package and incredible X wakes for surfing and wakeboarding. Find out more at MasterCraft.com
