Lotus Package

A ladies board that performs. We have found that many of our female riders can out rip the guys and they are demanding stiffer and edgier shapes. This board is out of the Pure series with awesome performance. It is a great ladies board. Watch out boys, this is sure to be the ride of choice for the aggressive female riders.

Jade Package

The Jade series takes the next step in toeside engineering, its top deck includes the first ever toeside foot bed riser. This feature quickens response time when initiating a toeside carve into the wake. The base of the Jade features toeside channel extensions further enhancing edging and control, it also includes a variable edge design.

Syn Package

The Syn is an ever-popular women's pro model shape that carries awesome speed into the wake and has all the pop you need. With a variable edge design, which rolls from soft between your feet to a sharp-cupped rail tip and tail, this board is as quick and responsive as they come. The Syn's shorter curved moulded in fins is just enough fin to know its there and working, but nothing to delay release off the wake.

Faith Hope Love Package

With a slightly lowered hybrid rocker line blending speed and consistently smooth pop with a bigger sweet spot. A new wider/mellow profile with more effective edge in the water means that instead of the angle generating the speed into the wake, the speed (and lift) comes from the increased glide on the water. This wider profile also offers riders more stability.
